

Meeting was called to order at 630pm and stood for the pledge of allegiance.

Military Ball on 3/25 at Roswell Country Club was a huge success with great feedback from parents and kids. There was some delay in getting food out but that was due to time changing on 1st Sgt. Request. Suggestion was to go to 11pm next year.

Parris Island trip was a huge success in late March and early April.

There has been a water band in Cobb County which resulted in us not being able to have the Car Washes in April as we discussed in the past.

Service hours were discussed by Capt. Minta:

4/22/17 Christ United Methodist Church – See Capt. Minta for details.

5/6/17 Loving Arms Cancer Support 7am-1pm Dallas Landing Lake Acworth

End of year awards ceremony – May 4th 6pm. Capozzi's NY Pizza to cater. Pasta, salad, pizza and bread. Dessert will be served as well. Jeanine suggested putting a raffle together for the awards banquet to make up some cash we lost from no car washes. It was discussed a \$1.00 raffle and she would try and get a few local restaurants to donate gift cards for raffle. Joanne to discuss further with her.

Senior Essays due 2 weeks before ceremony. 4 volunteers needed to review and rate.
